Emotional Purity Study

Monday Nights @ 7pm- Julie Cole's Home

"The church teaches us the importance of physical purity; but it teaches little about emotional purity. Christian singles often wear their hearts on their sleeves, which can lead to intense, emotionally intimate, male-female "friendships" with no commitment to pursuing marriage. Emotional Purity will show you how to define and set boundaries in your relationships to avoid making the same mistakes. Learn how to guard your heart and keep it emotionally pure." Emotional Purity is a life-long process and reaches beyond relationships with the opposite sex to entertainment, media influence and our own sinful desires.

Our speakers will share some of their personal experiences as well as biblical truth and wisdom. This is a study you don't want to miss!

July 20th - Amy Pattillo

July 27th - Sonya Stallings

August 3rd - Barbara Barker

August 10th - Belinda Youngblood

August 17th - Brenda Parks

August 24th - Cindy Reeder

August 31st - Colleen Conner
