Join us for Sunday School in rm M-111
THIS Sunday, July 25th @ 9:30am

Bill White will be leading a series called: **"Redeeming Our View of Manhood/Womanhood."** Culture both screams and whispers to us its own definition of what we're supposed to be as men and women. We've had this modeled to us in helpful and harmful ways. But what does Scripture reveal to us regarding God's calling and desire for us as men and women? We'll explore God's Word and grow in grace and toward acceptance of who God has made us to be, while putting off the deception and comparison that seeks to rob us of living out His plan.

Room M-111 is down the hall from the Bookstore.
